6 POWERFUL REASONS YOU CAN'T AFFORD TO MISS THIS SEMINAR

-  **This Is Your Time To Take Action And Position Yourself For Growth.**

Now is the time to get ahead financially. Using the unmatched business resources provided at this seminar, you will walk away with a plan to turn what you learn into earnings.
-  **Having An Asset Protection Plan Isn't An Option - It's a Necessity for Every Business Owner.**

If you are wealthy or perceived as being wealthy, you are a target. You will learn how to keep, maintain and manage the assets you already have and how to protect those assets for the future.
-  **Most Business Owners Over-Pay Their Taxes By As Much As 87%.**

As a business owner, you have the greatest tax deduction tool ever encouraged by the IRS. The problem is, most business owners don't know how to use it to their advantage. Learn how to maximize your tax deductions legally and ethically.
-  **Education Is The Key That Prevents Costly Mistakes.**

This workshop contains 3 power-packed days of education. We will teach you how to save on your taxes, protect your assets, utilize trusts, build business credit, and how to leverage your wealth for greater profit.
-  **Every Attendee Will Meet One-On-One With The Presenters.**

You will sit down with the leading tax and legal minds in the country and work out a plan specific to your business and your goals. This is your time with them.
-  **Meet With Other Like-Minded Individuals.** While attending this seminar, you will have the opportunity to talk up your business and meet with other like-minded individuals. Many of our attendees have told us that the benefits derived from these contacts alone were worth the investment.

PREPARE NOW OR PAY LATER

It's imperative that you learn the legal ways to work within the law to increase your bottom line by reducing your taxes. This isn't about going head to head with the IRS or fighting city hall. It's about using the tools they've provided to business owners and turning your company into an impenetrable fortress, with your privacy, financial well being and success built right in.

Asset Protection

As attacks on small business continue to rise, it's critical that you even the playing field. Get a step by step action plan to protect your assets from litigation.

Tax Reduction

Having "tax knowledge" provides guaranteed income. You will pay taxes every year. Knowing what you need to know to reduce that burden will put that money in your pocket, money that can be used to grow your business.

Financial Privacy

We make it very easy for litigation attorneys to know everything we have. Learn how to protect your financial privacy from unwanted attacks on your assets.

Estate Planning

Learn simple estate planning techniques to make yourself absolutely judgment-proof while you retain full control and beneficial use of your assets.

Retirement Planning

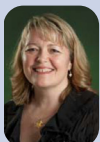

You deserve to have your business pay you back. Know your options and how to put those tools to work for you. Learn to leverage what you have to provide financial returns long into the future.

"The tax information I received at the 3 day seminar will save me a significant amount of money in 2010 taxes. Thanks for keeping me up-to-date. I love the reminders about resolutions and minutes. Sure keeps me in target in protecting my corporation." -Tom Drake

"Laughlin is the only company teaching and providing comprehensive programs about incorporating for the small business owner." -Jeff Mullar

"Laughlin Associates helped me to know the importance of maintaining my corporate minutes & records. I am a much better business owner from attending their workshop." -Peggy Kelley

These are just a few of the thousands of testimonials we have received since hosting this powerful workshop. In fact, 99% of past attendees would recommend this seminar to a friend or business associate.

The cost of attendance includes meeting one-on-one with the presenters to get specific answers that fit the needs of your business. There are no consulting fees involved. When you register, their time is your time.

Sanford C. Botkin, Attorney and Certified Public Accountant -

Sanford is Chief Executive Officer and Principal Lecturer of the Tax Reduction Institute based in the Washington, DC area. He has taught more than 50,000 taxpayers how to save over \$300 million on their taxes with his seminar. Sanford has extensive financial and legal experience, including five years as a legal specialist in the Office of Chief Counsel for the Internal Revenue Service.

Scott Burnett, Attorney at Law, Director of Education, Laughlin Associates -

Recognized as “one of the nation’s leading asset protection attorneys”, Scott is a lawyer with almost 20 years of civil litigation experience—a dynamic speaker with a knack for taking difficult topics and making them easy to understand. Scott teaches business owners how to avoid frivolous lawsuits and reduce taxes.

Kevin Day, Attorney at Law, Managing Partner, Day and Associates -

Kevin is one of the nation’s leading experts on asset protection and estate planning. He is an attorney, MBA and Certified Business Consultant who works with successful business owners throughout the United States, Europe and Asia. Kevin brings a world of understanding to his topics and has been a favorite presenter at previous Laughlin Seminars.

Michael Coulson, CPA, Coulson & Associates

With over 30 years of accounting experience, Mr. Coulson is uniquely positioned to counsel business owners on proactive ways to minimize their tax liability. Mr. Coulson’s firm specializes in audit, tax, corporate accounting and management advisory services.

Loral Langemeier

One of today’s most dynamic and pioneering money experts, Loral Langemeier has spurred thousands of success stories around the world by giving people simple tools to generate cash and build wealth, including her New York Times best-selling The Millionaire Maker 3 book series and Put More Cash In Your Pocket.

Our presenters aren’t just experts in their fields—they are also experienced business owners that bring with them practical experience and valuable advice. The information you will gain at this seminar is hard-hitting, to the point and can be applied in the real world.
